The ASPMN Nominating Committee is conducting the Call for Nominations for the 2023-25 Board of Directors/Nominating Committee slate. The positions that will be elected by the membership in 2023 are one Treasurer, three Directors, and two Nominating Committee Members. Positions begin terms in September 2023.

We encourage you to nominate yourself or another ASPMN® member by completing the electronic submission form. All nominations MUST BE RECEIVED BY May 23, 2023, to be considered for the slate of candidates.

The criteria for the open positions are listed below. The ASPMN® Nominating Committee will review every application with the goal of developing a qualified slate of candidates representing a variety of geographical locations, pain management sub-specialties, and experience. Every effort will be made to select at least two candidates for each office, but this is dependent on receiving enough nominations. All persons nominated will receive a confirmation from the Executive Office directing them to provide a CV, evidence of a current Nursing license, and a professional letter of recommendation.

Within two days of receiving the Recommendation for Nomination, an e-mail acknowledgment will be sent by the Executive Office to the nominee. If an acknowledgment is not received within that time frame, please contact the ASPMN® Executive Office at (571) 831- 8181.

The 2023 ASPMN® election will be conducted electronically. In June, all ASPMN® voting members in good standing with a current e-mail address on file with the Executive Office will receive an e-mail containing voting instructions and a link to the candidate information and ballot. The voting system will display the candidates' biographical summaries and photographs for review prior to voting.
